PROVINCIAL BOUNDS

PLAN OF ENLARGEMENT OUTLINED.

Manitoba, Ontario, and Saskatchewan will be enlarged and Alberta's eastern line may be moved.

Winnipeg, Man., April 24th.—The declaration by S. J. Jackson, M.P. at Edmonton on Friday that the Manitoba boundary question is practically settled creates much interest here. There seems no reason to doubt the accuracy of the statement or that the Dominion Government will proceed to give legislative force to compromise so soon as the "Autonomy Bills" are disposed of. The members from the Territories, Ontario, and Manitoba have apparently arranged the dispute to their own mutual satisfaction though it remains to be seen if the provinces concerned will acquiesce. Manitoba gets the biggest increase making her total area 275,000 square miles while Saskatchewan gets an increase making that province about the same size as Manitoba. Saskatchewan also gets control of Fort Churchill the best seaport on the west coast of Hudson's Bay, for although Churchill river is made the divisional line between Saskatchewan and Manitoba, the port lies north of the river mouth. Manitoba extends eastward to Winnipeg river. The remaining part of Kewatin up to James Bay is given to Ontario. It is probable the Manitoba Government will hold out for Fort Churchill in connection with the Hudson Bay railway scheme, should this division go through Alberta will be the smallest of the Western Provinces and may press her claims for moving eastward the divisional line to include the whole ranching district with some show of reason.

EASTER SERVICES.

GRACE CHURCH.—Rev. A. R. Attridge, of Fort Saskatchewan, preached in the morning, and Prof. Riddell in the evening. The church was very attractively decorated with flowers. The male quartet consisting of Messrs. Jamieson, Kelly, Cushing and Stutchbury, gave excellent selections morning and evening.

MCDONNELL METHODIST.—Rev. C. H. Huestis preached to large congregations morning and evening. Potted flowers were arranged attractively about the pulpit. The choir furnished special music morning and evening.

PRESBYTERIAN.—Rev. Dr. McQueen preached morning and evening. In the morning a male quartet consisting of Messrs. Potter, Walker, Heathcote and Laidlaw rendered an excellent selection.

At the evening service Mr. Frowde sang a solo "There is a green hill far away," Miss Webster sang a beautiful solo, "Resurrection Morn."

ALL SAINTS.—Rev. H. A. Grey officiated at the services of the day, assisted by Rev. C. H. Heck. Communion service was held at 8:30 a.m. and also at 11 a.m. Large congregations were present at all the services. The floral decorations were beautiful and elaborate. Special music appropriate to the occasion were rendered by the choir.

BAPTIST.—The Baptist church was attended by large congregations morning and evening. Special music was provided by the choir and Rev. A. W. McDonald preached morning and evening. The church was prettily decorated with flowers and plants.

ALBERTA S.S. CONVENTION

At the opening session of the convention on Tuesday evening, in the Presbyterian church, addresses of welcome will be delivered by the Mayor, the principal of the public schools, and Rev. D. G. McQueen, B. D. and the address in reply will be given by Mayor McEwen, of Red Deer. Rev. C. H. Huestis, M.A., will deliver the president's annual address. The service of song will be in charge of the choir of the Presbyterian church. The public are cordially invited.

THE IMPERIAL FAMILY

THE VICTIMS OF GREAT PLOT.

Officers of the Imperial Guards and conspirators of noble lineage plan to kill the Czar.

Bulletin Special.

St. Petersburg, April 24th.—A plot to kill the Czar and the whole Imperial family has been discovered among the troops of the Imperial Guards Officers upon whom the lives of the Royal family depended are involved and several conspirators of noble birth have been discovered with large quantities of dynamite in their possession. It has appeared the Czar, Governors and other officials have been ordered to remain in their offices prepared for all eventualities.

CANNONADING OFF KAMRANH

Saigon, French Cochinchina, April 24th.—The complete Russian fleet left Kamranh bay on April 22nd, at midday. At night a heavy cannonading was heard out to sea. It is supposed that the Russian fleet was engaged with a portion of the Japanese squadron. Before the departure of the squadron, Admiral Rozhkovsky visited Admiral Jomiquet, a Russian officer or sailor landed from the fleet in Kamranh bay. They had expected Nebogloff's detachment of the squadron to arrive at any moment.

DIED OF INJURIES

IN THE PUBLIC HOSPITAL.

Thomas Rattray, Engineer of Cushing Bros. succumbed to injuries received in Thursday's accident.

Thos. Rattray, who was injured in Cushing Bros' factory on Thursday last, died at the public hospital yesterday afternoon. His wounds were entertained on Friday and Saturday that he would recover, but the nervous shock proved beyond his endurance. He breathed his last about four o'clock yesterday.

Deceased was sixty years of age, a Scotchman by birth, and came to Edmonton from Minnesota about five years since.

His wife and ten children survive him. Mrs. Albertson and Mrs. Hawkins of this city are daughters.

The funeral will be held at the family residence on Fraser avenue tomorrow at 2 p.m.

The company for whom Mr. Rattray worked for about three years, speak in high terms of his faithfulness to his duties and express the deepest regret at the sad accident which ended his life. The factory will be shut down today and tomorrow as a token of respect.

The family have the sincere sympathy of all their friends and acquaintances in their sudden bereavement.

Over 100,000 of these machines have been sold in the U.S. within the last few years at the same price which is being charged for any other standard typewriter. This proves conclusively that the OLIVER is the very best machine made regardless of price.

As there is now in Montreal a factory devoted exclusively to the manufacture of this machine, it can be bought in Canada for the same price at which it is sold in the U.S. without adding from \$25 to \$30 to cover duty and charges, as do all the other standard writers.

This should be a very attractive proposition to any purchaser of writing machines.

TALKED OF EDMONTON

AND ITS PUBLIC UTILITIES

Mayor Mackenzie addressed Calgary
Council on Public Ownership as They
Have It in This City.

Calgary, April 19.—Mayor Mackenzie, of Edmonton, was in the city last night and on the invitation of the mayor and members of the city council, addressed the council upon the new charter under which Edmonton is working. The charter was drafted by C. R. W. Biggar, of Toronto, perhaps the best authority upon municipal law in Ontario. The Edmonton charter is an ideal one, embracing the idea of commission, an assessment system bordering on single tax system, and other features which are strictly and decidedly up-to-date.

Mayor Emerson welcomed Mayor Mackenzie very graciously last night and told him that Calgary, though recognizing Edmonton as a rival, did not forget that there is much in common between the two cities and he believed that one could assist the other. Calgary would always be ready to give every possible assistance to Edmonton.

Mr. Mackenzie said he preferred the members of the council to ask him questions. The members took advantage of the opening and began at the commission idea. Mayor Mackenzie explained that in Edmonton there were three commissioners, who did all the executive work. There were committees as well but the committee practically did no work. At the inauguration of the new system the members of the new council were very jealous of the powers that they had and did not seem to be disposed to give them up willingly all at once. The committee sometimes met and gave advice to the members of the commission, but in every case the commissioners executed the work.

The commission included the mayor, who was paid \$1,200 a year, the commissioner of finance who was responsible for the assessment and finances of the city, and the commissioner of public works, who was the city engineer. This commission meets every day, and in every way possible are like a government which executes; compared with the council, which is the legislature, and legislates and votes supplies.

The commissioners make up the estimates and recommend the supplies that are to be granted. The commissioners have equal power, and, with the exception of the mayor, may be removed by the council. The members of the commission are present at council meetings, but, with the exception of the mayor, have no vote.

The commission was preferable to the old committee system. The commissioners gave more consideration to the various projects, they had more time to prepare their reports. There was no confusion and the result was very satisfactory.

Mayor Mackenzie mentioned the form of assessment in Edmonton, but could not recommend it because it had not been tried. There was a business tax, levied upon floor space, upon the different classifications of businesses. There was also a land tax. Buildings and improvements were not taxed.

The discussion then drifted into the waterworks problem. Edmonton does not seem to have as well managed waterworks as Calgary. There is a considerable deficit there though many charges which in Calgary are put up against current account, in Edmonton it is put up against capital account.

The last question to be discussed was that of electric light. Edmonton has a municipal plant.

The question started by Mayor Mackenzie extolling the meter system of selling any commodity, whether it was water by the gallon or electricity by the kilowatt.

The municipal electric light plant is the best thing we have," said Mayor Mackenzie. "It is the most satisfactory system that we are operating."

Mayor Mackenzie explained that in December the gross earnings were \$7,000 and that the gross earnings for the year would be \$10,000 to \$15,000. They had a big surplus. They contemplated a big reduction in the rates charged. The cost of the plant was \$110,000. They had slack for fuel at from \$1 to \$1.50 per ton. They had no competition in lighting.

The council passed a hearty vote of thanks to Mayor Mackenzie for his kindness in giving the council information.

In reply, Mayor Mackenzie said that he was very much interested in municipal questions and particularly where the municipalities controlled the municipal monopolies.

THE CHURCH AND POLITICS

Editor Bulletin:

Sir: It is strange that as yet no comment has appeared on the article in the Bulletin on the "Use and Abuse of the Pulpit."

Having been present at the church at which an earnest warning was given to us all to guard against moral cowardice and the appearance of publicly supporting opinions contrary to those which we really held, I may say that the clergyman used no stronger language and went no further than was justifiable; that he was laying down general principles that apply at the present time to the conduct of many; and that no individual whose own conscience did not condemn him had any reason to take the words as aimed specially at himself.

I cannot understand anyone maintaining that a clergyman should allow himself to be muzzleed by political party or faction, or by regard for friends or acquaintances. One who signs up as less worthy as a friend or as a clergyman, who is called upon to warn us against all that is false and dishonorable, and if they do so regardless of what it may cost them, they are the more to be praised.

The suggestion that a minister retreating political evils or pointing out the tendency of some suggested legislation is an evidence of "Clerical domination" is too absurd to require answer.

To those who suggest that the church ought to keep aloof from public affairs it may be pointed out that when other men of influence failed in their duty to their fellow men in Bible history, the prophets by special command of God gave their attention to political matters.

Yours, HENRY GILBERT,

ANNUAL BANQUET

OF RED DEER BOARD OF TRADE

Representatives of Edmonton and Calgary attend a very successful function in Red Deer.

The annual banquet of the Red Deer Board of Trade was held in that rising town on Monday evening last. About one hundred members and guests sat down to a sumptuous repast in the banquet hall of the Alberta Hotel. Among the guests were Messrs. R. J. Hutchings, C. W. Rowley and W. H. Cushing of Calgary. Mr. Wm. Murray of the Bank of Commerce at Vancouver, Edmonton being represented by Mayor McKenzie and Mr. A. T. Cushing, Vice-President of the Board of Trade, the President being unable to attend.

The affair was eminently successful, an exceedingly pleasant evening being spent. The somewhat lengthy toast list elicited much interesting discussion on various topics which are of interest not only to the citizens of Red Deer, but to all who are interested in the advancement of the large section of Alberta of which Red Deer may be considered a typical point. Considerable good humored banter was indulged in by the various speakers in reference to Red Deer's position towards Calgary and Edmonton in regard to the matter of the provincial capital. In proposing the toast of "Other Boards of Trade" Mr. A. T. Stephenson suggested that at the present time Red Deer might be likened to a coy maiden whose hand is sought by two ardent and devoted suitors. The maid, however, had so far shown no preference for either wooer—in fact, it is probable that she will continue "to be a sister" to both. Mr. Hutchings of Calgary, who followed, who in this matter at least is a somewhat masterful and outspoken wooer, and left the maiden in no manner of doubt as to the extent of Calgary's infatuation for her.

Mayor McKenzie, replying to the toast of "sister," said that Edmonton, Red Deer and Calgary, might be likened to the three graces, Faith, Hope and Charity. Edmonton representing Faith, Calgary Hope, while Red Deer is a fitting representative of Charity. Mr. W. H. Cushing of Calgary who spoke in reply to a later toast, took exception to Mr. McKenzie's suggestion, however. He thought that Edmonton, not Calgary, was the more fitting representative of "hope," as for years past Edmonton had been living, and is still living, on hope as her chief means of subsistence. An exceedingly pleasant feature of the evening was a clever and witty speech by Mr. Geo. F. Root, a progressive Red Deer farmer, in reply to "Agriculture and Interests." Earlier in the day the visitors had been afforded a much appreciated opportunity to inspect Mr. Root's farm, and they were much interested in the evidences of thoroughly progressive ideas and the magnificent herd of thoroughbred cattle seen on the farm.

The pleasant evening came to an end at a very late hour, closing with a toast to the genial George Beatty, the host of the occasion, the singing of the National Anthem, and Auld Lang Syne.

RED DEER PROGRESSIVE.

Red Deer, April 22.—Work has been commenced on the cement foundations of the large brick block of Smith and Gaetz on the corner of Ross and Gaetz avenues. This will be a two-story block, 100 feet square and will be occupied by Smith and Gaetz as a hardware store. The upper flat will be divided into offices to rent.

B. A. Jacobson, our enterprising jeweller, has had a large plate glass front put in his store this week. The interior of his store, when finished, will be as good as any in Alberta, being fitted up with the best and most up-to-date fixtures.

Work on the waterworks pumping station is being rushed rapidly along and it is expected the water will be turned on in a few days.

Settlers are arriving here daily, and the Dominion Land office clerks are busy writing out homestead papers. On Wednesday morning about twenty-three entries were made.

Work on B. P. Alford's block on the corner of Alexander street and Gaetz avenue is being started.

The residential portion of the town is also growing. Already this year about 20 residences have been built.

The annual banquet of the Board of Trade of Red Deer, which was held in the Alberta Hotel here on Monday, was a grand success. About eighty sat down to the table. Among the guests were the following: Mayor McKenzie, of Edmonton; Mayor Emerson, of Calgary, and Mr. Murray, of Vancouver.

PERSONAL

W. G. Shum, of Fort Saskatchewan, was in the city yesterday.

E. A. Grog, formerly of this city is at the Alber.

D. McAllister of Beaver Lake was in the city Saturday.

W. Beriveto of the Imperial bank is spending Easter in Wetaskiwin.

W. J. Hunter of the Fort Saskatchewan Reporter, was in the city yesterday.

J. Clark of the Imperial bank had a knee badly injured in a practice game of football yesterday.

Miss Ada Shoemaker of Red Deer is visiting Mrs. Jas. McKinnon, Eight street.

F. McGuire came in Saturday from Paisley, Ont., to take a position with Revillon Press. Mr. McGuire is said to be a good lacrosse player.

MORINVILLE CONVENTION

A campaign meeting was held in Cheyenne & Nanquette's hall, Morinville, on Saturday evening. There was a large attendance. The chair was taken by P. S. Sandette, mayor of the village. Addresses were delivered by P. S. Turfitt, M.P., for East Assiniboia, who spoke in French and English. Hon. F. Oliver, M. C. McCauley, C. W. Cross, Wilfrid Gariepy, and L. Boudreau, the two latter speaking in French. The meeting was closed with a vote of thanks for the chairman and cheers for Oliver.

On the arrival of Mr. Oliver and party at Morinville in the afternoon, they were met by a procession headed by the mayor of the village, Mr. P. S. Sandette and escorted through the streets to an accompaniment of the firing of anvils on the parlor of the Morinville Hotel the mayor read and presented to Mr. Oliver an address.

Mr. Oliver made an appropriate reply, which was well received.

I TAKE extreme care of every leaf of tobacco that I buy. Ordinarily "hand" of tobacco is soaked in water when it is received—I simply moisten the leaves in such a way as to only slightly dampen every part of every leaf. By this means the strength of the tobacco is not impaired—its smoking quality—fragrance and pungent deliciousness, is conserved to the smoker intact.

My Pharaoh Cigars have an filler a high grade selected leaf of the Manicougan district of Cuba, which I buy myself in Cuba—a leader of the celebrated Broadleaf of the Connecticut valley and a clear leaf wrapper—granite Sumatra, which I import direct from Amsterdam. My Pharaohs are exceptionally good smokers.—J.B.P.

GRUESOME REMAINS

OF FRIDAY'S FATAL FIRE.

Piece of Bone and Fragment of Charred
Flesh recovered from ashes—Old
Lady Used Tobacco

Bulletin Special.

Montreal, April 24.—A little piece of bone with a fragment of charred flesh adhering to it, is all that has been found of the remains of the fifteen victims of Friday's holocaust at the little village of Ste. Genevieve. The smoldering ruins from which the smoke still curled, were the goal of a pilgrimage yesterday by relatives and friends of the victims from Montreal and all the surrounding country who came to gaze upon the embers which signified all that was left of fifteen unfortunates. In the largest, evidence went to show that Margaret Rivin, aged 100, was addicted to the use of tobacco at night.

PUBLIC MEETING

OUR EXCELLENT POUND BY-LAW.

To the Editor Bulletin,
Sir:—The above, so well as it carried out that a row invaded our store at 6 p.m. this evening. Surely it is time to stop this kind of thing. We know our flour and feed business is a very good one, and no doubt the animal knew where to get good goods, but we prefer the owner to come and deal with us, rather than have the animal sample our stock.

ODDFELLOWS ATTEND SERVICE.

Friendship Lodge No. 7 I. O. O. F. attended service in a body at the Presbyterian church yesterday afternoon. The lodge formed in line at Hounston's Hall and marched to the church where Rev. A. R. Aldridge of Fort Saskatchewan preached an impressive sermon from the text "Who is my Neighbor?" Several members from King Edward Lodge, Fort Saskatchewan and the Strathcona lodge were present, about three hundred members of the order being in line.

ITEMS FROM LLOYDMINSTER.

R. Dinwiddie of Sick Man's Lake is in the city today. He returned recently from a trip to Lloydminster. Fires have done great damage in the eastern districts during the spring. Many lost large quantities of hay while several parties lost buildings and effects as well. Among the latter were Messrs. Forbes, Tupper,

Shaw and Fleming, all of whom reside near the road from Lloydminster to the Vermillion.

An American family named Preston who came from North Dakota last season lived all winter in a tent on their claim near Lloydminster. The family includes six children, one of whom was born in the canvas residence. They do not complain of having suffered from the cold during the winter.

Oats were selling in Lloydminster at \$1.00 per bushel for seed. About 1500 bushels of seed oats have been sold by the local firms there, over 500 bushels of seed barley and a considerable amount of wheat. This amount of oats would sow over 700 acres and a conservative estimate places the total amount under crop for the present year in the colony at over 6700 acres.

The railway contractors are moving out on the grade and getting ready for the summer's work. No engineers however have as yet arrived.

PUBLIC MEETINGS.

A campaign meeting in the support of the candidature of the Hon. F. Oliver, was held at Sunnyside on Thursday evening, J. McClelland of Edmonton, occupied the chair. Addresses were delivered by Messrs. J. G. Turritt, M.P., Hon. Frank Oliver, Mr. McCauley and J. R. Doyle. H. Bell and T. J. Stacey expressed on behalf of the meeting satisfaction with and confidence in Mr. Oliver. The meeting closed with the National Anthem.

A meeting was held last evening in the Agricultural school house. There was a large attendance, a number of ladies being present. T. G. Beattie was chairman. Addresses were delivered by Dr. Cleudemann and Mr. Oliver. The meeting closed with the National Anthem and cheers for Mr. Oliver.

Straight from London

comes the news that Double Breasted
Sack Suits are in vogue again.

We had the hint months ago—had
our designers create styles that even
London's famous West End tailors
might envy.

There's nothing in England hand-
somer than the Fit-Reform Sacks.

3 button—loose backs—big, broad
shoulders—wide roll collars and lapels.

Imported Scotch, Irish and West
of England Tweeds—and Blue Serges.

\$15, \$18, \$20 up to \$30.

TRAIN SERVICE:—Leaves for Strathcona 7.45 and 15.30. Arrives from Strathcona 9.15 and 10.50.

LOCAL

—Train on time.
—Probs.—Fair and warm.
—The Strathcona Tennis Club hold their annual ball this evening.

—Baseball practice on the Hudson Bay grounds tonight.

—Lacrosse practice on the grounds north of the Edmonton Carriage Co's barn tonight.

—Sails will be reserved for the ladies at this evening's meeting in the rink.

—Mr. Harold Jarvis the great American tenor will give a song recital in the Rink Theatre May 12th.

—The National Trust Co. removed on Saturday to their new stand at the corner of Jasper Avenue and First Street.

—O. W. Hembling of Tidsbury has erected a new block with a public hall giving seating accommodation for 200.

—"In the trenches before Santiago" will be put on at the rink tomorrow and Wednesday evening. Tickets can be obtained at Messrs. Archibald, druggists, 7th and 8th.

—W. Pearce is fitting up a well boring machine at the foundry. He has already two machines at work and expects to operate the three during the season.

—The Driving Club are holding a practice this afternoon. It has been decided to hold the program of sports on Arbor day instead of May 24th, as this would clash with the foot Saskatchewan celebration.

—The residence of Mr. C. B. Bowman, corner of Eighth Street and Essex Avenue was entered and ransacked Friday evening in the absence of the family. A small sum of money was taken.

—The Edmonton team won the first lacrosse game of the season on the Hudson Bay grounds, on Friday, defeating the Strathcona team 3 to 2.

—The golf club is holding its spring meeting. Lunch will be served on the grounds at one o'clock and a tournament for mixed foursomes will be played.

—A very successful sale of work was held in Grace Methodist church Friday afternoon and evening under the auspices of the ladies' aid of the church. Tea was served during the sale.

—Principal Ramsay of the public schools requests that parents having children whom they desire starting in the primary classes during the spring start them tomorrow, the beginning of the term.

—The annual hockey club ball will be held in the rink on Thursday evening. Arrangements have been fully made to surpass the previous assemblies given by the club. The music will be furnished by Clarke's orchestra, consisting of ten pieces.

—The Crucifixion, Stainer's beautiful meditation in the Passion, was sung by the choir of All Saints church on Good Friday evening, assisted by Tom Kelly, tenor, Howard Strathbury, baritone. The work of the choir was exceptionally fine with splendid attack and great expression. The soloists are too well known to need comment except to say that they sang with more than usual expression.

—The plans have been prepared for a new church building to replace the present Grace Methodist church at the corner of Kinistino Avenue and Ninth Street. The plans provide for a frame structure 60x35 feet on a brick footing, with large ornamental windows and a short spire. The present building will be placed at the rear of the new church and used for a Sunday school room.

—Strathcona Plunderer:—A number of boys got themselves into the bad graces of the police Wednesday evening by climbing on the top of Ross Hall and making a disturbance as they looked down the sky light on the performance by the Harold Nelson Co. Nine of them were summoned yesterday morning before Magistrate Ritchie and fined \$1.00 and costs each.

—Regina Leader:—"As an illustration of the character of mis-statements and falsehoods with which the Conservative party seek to inflame the country, it may be noted that Mr. Gieser, of Toronto, charged that instead of consulting Premier Borden with regard to the educational clauses of the Antiquity Bill, Sir Wilfrid had instead consulted Mr. Haultain's (meaning Roman Catholic) colleague (meaning Mr. Bulyea, who is a Baptist) and to make matters worse Mr. Osier declined to permit any correction."

Synopsis of Regulations for Disposal of Minerals on Dominion Lands in Manitoba, the North-West Territories and the Yukon Territory.

Coal.—Coal lands may be purchased at \$10 per acre for soft and \$20 for anthracite. Not more than 320 acres can be acquired by one individual or company. Royalty at the rate of 10 cents per ton of 2000 pounds shall be collected on the gross output.

Quartz.—Persons of eighteen years and over and joint stock companies holding no miners' certificates may obtain entry for mining location.

A free miner's certificate is granted for one or more years, not exceeding five, upon payment in advance of \$7.50 per annum for an individual, and from \$50 to \$100 per annum for a company, according to capital.

A free miner, having discovered mineral in place, may locate a claim 1,500 by 1,500 feet by marking out the same with two legal posts bearing location notices, one at each end of the line of the lode or vein.

The claim may be recorded within fifteen days if located within ten miles of a mining recorder's office. One additional day allowed for every additional ten miles or fraction. The fee for recording a claim is \$5.00.

At least \$100 must be expended on the claim each year or paid to the mining recorder in lieu thereof.

When \$500 has been expended or paid the locator may, upon having a survey made, and upon compliance with other requirements purchase the land at \$1.00 per acre.

Permission may be granted by the Minister of the Interior to locate claims containing iron and mica, also copper, in the Yukon Territory, of an area not exceeding 100 acres.

The patent for mining location shall provide for the payment of royalty on the sales not exceeding five per cent.

N. W. T., excepting the Yukon Territory.—Placer mining claims are generally 100 feet square, entry fee \$5.00, renewable yearly. On the North Saskatchewan river claims for either bar or beach, the former being 100 feet long, and extending between high and low water mark, extends back to the base of the bar or bank but not exceeding 1,000 feet.

Where steam power is used, claims 200 feet wide may be obtained. Dredging in the rivers of Manitoba and the N. W. T., excepting the Yukon Territory.—A free miner may obtain only two leases of five miles each, in any one year, and may renew them in the discretion of the Minister of the Interior.

The lessee's right is confined to the submerged bed or bars of the river below low water mark, and subject to the rights of all persons who have or who may receive entries for bar diggings on bench claims, except the lessee may dredge to high water mark on each alternate leasehold.

The lessee shall have a dredge in operation within one season from the date of the lease for each five miles but where a person or company has obtained more than one lease, one dredge for each fifteen miles or fraction, will be sufficient. Rental for each five miles within six years from such date. Rental, \$100 per mile for first year, and \$10 per mile for each subsequent year. Royalty same as placer mining.

Placer Mining in the Yukon Territory.—Creek, gulch, river and hill claims shall not exceed 250 feet in length measured on the base line or general direction of the creek or gulch, the width being from 1,000 to 2,000 feet. All other placer claims shall be 500 feet square.

Claims are marked by two legal posts, one at each end, bearing notices. Entry must be obtained within ten days. If the claim is within ten miles of a mining recorder's office, one extra day allowed for each additional ten miles or fraction.

The person or company staking a claim must have a free miner's certificate.

The discoverer of a new mine is entitled to a claim of 1,000 feet in length, and if the party consists of two, 1,500 feet, altogether, on the output of which no royalty shall be charged, the rest of the party ordering claims only.

Entry fee \$10. Royalty at the rate of two and one-half per cent on the value of the gold shipped from the Yukon Territory to be paid to the Controller.

No free miner shall receive a grant of more than one mining claim on each separate river, creek or gulch, but the same miner may hold any number of claims by purchase, and free miners may work their claims in partnership by filing notices and paying fee of \$2.00. A claim may be abandoned and another obtained on the same creek, gulch or river by giving notice and paying a fee.

Work must be done on a claim each year to the value of at least \$200.

A certificate that work has been done must be obtained each year; if not, the claim shall be deemed

abandoned, and open to occupation and entry by a free miner.

The boundaries of a claim may be defined absolutely by having a survey made, and publishing notice in the Yukon Official Gazette.

Hydraulic Mining, Yukon Territory.—Locations suitable for hydraulic mining, having a frontage of from one to five miles, and a depth of one mile or more, may be leased for twenty years, provided the ground has been prospectively by the applicant on his agent's finding to be unsuitable for placer mining, and does not include within its boundaries any mining claims already granted. A rental of \$150 for each mile of frontage and royalty at the rate of two and one-half per cent, of the value of the gold shipped from the Territory are charged. Operations must be commenced within one year from the date of the lease, and not less than \$5,000 must be expended annually. The lease includes all base metals, quartz and coal, and provides for the withdrawal of unopened land for agricultural and building purposes.

Petrolium.—All unappropriated Dominion lands in Manitoba, the North-West Territories and within the Yukon Territory, are open to prospecting for petroleum, and the Minister may reserve for an individual or company having machinery on the land to be prospecting, an area of 640 acres. Should the prospectors discover oil in paying quantities, and satisfactorily establish such discovery, an area not exceeding 640 acres, including the oil well and such other land as may be determined, will be sold to the discoverer at the rate of \$1.00 an acre, subject to royalty at such rate as may be specified by order-in-council.
